Installation process of Print Control Proxy software

PCP System Requirements

The following are the system requirements for the end-user's machine:

Operating System: Windows 7 or later

.NET Framework: version 3.0 or higher (typically part of the default Windows installation) **Web browser:** Internet Explorer 10 or higher. Alternatively, the latest version of Mozilla Firefox or Chrome can also be used

Note: PCP is not supported in Microsoft Edge browser at the moment. Windows10 users can use PCP with Internet Explorer 11
